

Announcement Number #5

Kia Ora

Helmets

As previously advised helmets will be compulsory for all sailing events at NR29.

For those Groups making grant applications there are two suppliers that can provide quotes for your applications.

They are:

- Bernard at Hutchwilco; bernard@hutchwilco.co.nz \$42.60 each (GST exc)
- Hayden at NZ Sailcraft; hayden@nzsailcraft.co.nz \$50 each (GST incl)

Request the Scouts NZ rate.

Registrations

From the Expressions of Interest registration data, we are expecting similar, if not slightly more participants than NR28. The numbers registered greatly exceeds the minimum number to run the event so at this stage everything is on track for a great NR29.

We will be looking for firm numbers by the end of October at which time the sailing teams will need to be finalised so that we can put the logistics plan together to get the required number of Cutters, Sunburst's and Feva's to NR29.

RS Feva's

We have been very successful with our grant applications to date with \$110k received from Pub Charity, Lion Foundation & Trillian. We have two pending grant applications with Four Winds Foundation and BlueSky Community Trust.

Seven of the Feva's have already been sold and delivered to Groups around the country.

Remember if you would like to purchase a Feva or get a quote email: gilbert@yoursuccess.co.nz

Final Regatta Fees

The final budget will be presented to National Board Meeting on the 31st of July for approval. After signoff from the Board we can advise what the actual regatta fees will be.

As advised previously we are still aiming for:

Attending Category	Price (NZD)
Youth Members:	\$500
Adult Leaders:	\$100
Adult Regatta Staff:	\$0 (free)

Regatta Duty Watch

As advised previously The NR29 ROC is looking to establish a youth lead “Regatta Duty Watch.” The Regatta Duty Watch will be similar in purpose to the Jamboree Patrol so that the youth have an input in the make-up and the running of the regatta. In recent history this will be a first for youth to have input into a National Scout Regatta. This could be input of what other events they want to see at the regatta, changes to how events are run, what they would like to have in the menu? Being a new concept to National Regattas, the role is yet to be fully defined by the members of the Regatta Duty Watch.

Current set duties are as follow:

- Select & organise off site activities.
- Select & organise New Year’s Eve celebrations.

The above duties and other decided upon/approved activities will be supported by the ROC to make happen.

To date we have no applications from any youth to join Regatta Duty Watch. Please encourage the youth attending from your contingent to consider putting their hand up to help us make this event a success. No previous experience needed, just a willingness to do the job.

Email adminofficer@regatta.scouts.nz to apply.

That’s all from this update. Watch out for update #6 soon.

Any Questions
